

CONFERENCE PROGRAMME (tentative)
11 & 12 September 2002, Jakarta, Indonesia

DAY ONE: 11 SEPTEMBER 2002, WEDNESDAY	
8.15	Registration
9.00	Opening Address & Welcome Speech <i>Mr Gary Fung, President, IDG World Expo (Asia) Ltd</i>
MARKET TRENDS & BUSINESS OPPORTUNITIES	
9.30	Blue Print of Indonesian Telematics Development <i>Invited: HE. Samsyul Muarif, State Minister, Ministry of Communication and Information (INFOKOM)/Executive Chairman, Indonesian Telematics Coordinating Agency</i>
10.15	Overview of Current Wireless Policy and Regulations from the Government Perspective <i>Invited: Director General of Post and Telecommunications</i>
11.00	<i>Morning Refreshments</i>
11.15	Overview of Current Wireless Standards and Technology
12.00	Business Case for Adopting Wireless LAN
12.45	<i>Lunch</i>
2.00	Security and Management of Wireless LANs <ul style="list-style-type: none"> •Security, Authentication, and Access Control for the wireless network •Quality of Service in the Wireless Environment •Mgt & Optimisation of a mixture of Wireless Devices, ranging from Laptops to Mobile Devices and PDAs •Secure Mobility within the Wireless Environment <i>Invited: Terence Fleming, Director, Asia Pacific, Bluesocket, Inc.</i>
2.45	Towards Integration of Multiple Devices <ul style="list-style-type: none"> •Current and future issues of multichannel software and site design •Web services such as SOAP and SunONE architectures, J2ME, WAP, SMS, iMode •Issues involved in pushing simple request architectures beyond original boundaries <i>Invited: Gunther Birznieks, Chief Technology Officer, eXtropia Pte Ltd</i>
3.30	<i>Afternoon Refreshments</i>
PANEL DISCUSSION	
4.00	Infrastructure for Next Generation Wireless Communications - Fixed Wireless and Mobile Communications <i>Invited Panellists:</i> <i>Suryatin Setiawan, Telkom - Moderator</i> <i>Rudy Antara, Director, Exelcomindo</i> <i>Hasnul Suhaimi, CEO, IM3</i> <i>Bambang Susianto, Director, Komselindo</i> <i>Woeryanto, Director, Telkomsel</i>
5.30	Close of Day One

DAY TWO: 12 SEPTEMBER 2002, THURSDAY	
9.15	Chairman's Opening Remarks
IMPLEMENTATION & APPLICATIONS	
9.30	Wireless Communications Services Potential in Asia
10.15	Interconnection, Rural Telecommunication and Billing System for the Next Generation Wireless Communications
11.00	<i>Morning Refreshments</i>
11.15	<p>Wireless Services for Rural Broadband Internet in Indonesia and Public Wireless Internet</p> <ul style="list-style-type: none"> -country position from industry point a view: regulation, industry, services -alternatives solutions Wavelan, Broadband Satellite , CDMA Fixed & Mobile Data. -best practise and case study <p><i>Invited: Rudy Rusdiah, chairman APWKomitel (Indonesian Association of Internet Centre) & CEO of Micronics Internusa</i></p>
12.00	<p>Killer Apps for Wireless LANs? Suggestions for Subscriber-Based Broadband WLANs</p> <ul style="list-style-type: none"> •Potential applications best suited for WLAN environment •Develop killer applications for broadband wireless service providers and help fuel longevity of this medium access •Availability of Intelligent Network System to deliver advance features and new applications <p><i>Invited: Ang Kwang Tat, CEO, Advanced Network Technology Laboratories Pte Ltd</i></p>
12.45	Lunch
2.00	<p>Examining the Integration of WLANs with Existing Wireless Network Infrastructure</p> <ul style="list-style-type: none"> •Need for industry -standard interconnection •Examining the importance of standards based interoperability in making wireless part of a network transparent to the rest of the network •How can mobile operators best leverage their existing assets
PANEL DISCUSSION	
2.45	<p>Infrastructure for Next Generation Wireless Communications - Data Communications</p> <p><i>Invited Panellists:</i> Indra M Utoyo, Telkom Probis, Moderator B T Lim, CEO, Compaq Indonesia Andrew Mc Bean, CEO, Microsoft Indonesia</p>
4.00	<i>Afternoon Refreshments</i>
4.15	<p>Applications for Next Generation Wireless Communications - WAP, Mobile Commerce, GPRS</p> <p><i>Invited Panellists:</i> Hasnul Suhaimi, CEO, IM3 John Gobel, CEO, 1st Wap Aswin Wiriadi, CEO, BCA</p>
5.30	End of Conference
